**Important event to report: Controlled shutdown of the Cernavoda NPP Unit 2 for repair works in the classical part of the unit.**

SN Nuclearelectrica SA informs its shareholders and investors that Unit 2 of the Cernavoda NPP will be shut down in a controlled manner, on the evening of April 30, 2024, in order to carry out repair works in the classical part of Unit 2, without impact on the nuclear part.

The controlled shutdown of Cernavoda NPP Unit 2 is carried out according to the procedures applicable in such situations and is necessary to allow Cernavoda NPP staff to carry out the repair works in safe conditions.

Repair works in the classical part of Unit 2 have no impact on nuclear safety, environment, personnel or population.

SNN will send a press release after the completion of the repair works, when the Cernavoda NPP Unit 2 will be reconnected to the National Energy System.
