

**BVB's technical specifications with regard to the authorization of the stock exchange agents during the transitory period, until the approval by ASF of the proposals to change the BVB's Rulebook – Market Operator**

*- applicable starting with March 15, 2019 -*

- The stock exchange agent's status is acquired based on an application submitted in this regard by a BVB's Participant, being necessary to meet cumulatively the following conditions:
  - the declaration of conformity with regard to fulfilment of the conditions specified in the ASF regulations in force, applicable to the person who intends to become the stock exchange agent; the respective declaration is carried out on the own responsibility by the legal representative of the BVB's Participant;
  - compulsoriness to attend the courses organized by BVB;
  - passing the professional tests/ exams, based on the specific courses, organised by BVB;
  - submitting the Appendix no. 2 from the BVB's Rulebook-Market Operator, filled in and signed;
  - payment of the tariff for the stock exchange agent's exam (according to the List of fees applicable to BVB Participants charged by BVB).
