Dear Ms. David,

**Extraordinary Announcement and Application of registration with the Bucharest Stock Exchange**

As announced yesterday we have not been able to provide any quotes for the below mentioned certificates on August 22nd due to technical issues:

AT0000489398 (Gold Index Certificate)  
AT0000A0CV71 (Brent Crude Oil Index Certificate)  
AT0000A07SD6 (Short Brent Crude Oil Index Certificate)  
AT0000A056Y4 (Short Dax® Index Certificate)  
AT0000A0AN24 (Short Gold Index Certificate)

We are glad to announce that these technical issues have been solved in the meantime and do not hinder us anymore to provide quotes again. Hence quotes for these certificates are being provided again.

We kindly apply for admission and registration of this amendment with the Bucharest Stock Exchange.

Please do not hesitate to contact us if you require further information.

Very truly yours,

Dr. Zita Takacs
