Event to be reported: Production activity disruption for general overhaul

Oltchim SA announces the scheduled annual general overhaul works, between 20.08 and 31.08.2017, in time intervals allocated to each plant and in accordance with its own working instructions. The production activity will be interrupted in order to carry out maintenance work specific to a general overhaul.

These works are carried out, according to their specifics, both with specialized firms and with the own labor force.

The sales activity will not be affected, the company having stocks of finished products that fully cover the contractual obligations of this period.
