In case of legal person shareholders or of entities with no legal personality, the quality of legal representative is found based on the shareholders' list from the reference date received from the Depozitarul Central S.A.. In case the shareholders' register does not contain data regarding the quality of legal representative or they are not updated, this quality is proved with a confirmation of company details in

original or in a certified true copy, issued by the Trade Register or any other document, in original or in a certified true copy, issued by a competent authority from the state in which the shareholder is legally registered, which would allow identifying the legal representative.

The documents certifying the quality of legal representative of the legal person shareholder shall be issued no more than 3 months before the publication date of the convening notice of the general meeting of shareholders.

Shareholders who do not have legal competence, as well as legal persons can be represented by their legal representatives, who in turn may issue an empowerment to other persons.

C.2. Representation based on a special power of attorney or on a general power of attorney (empowerment) at the E.G.M.S.

Shareholders can be represented in the E.G.M.S. by other persons based on a special power of attorney or on a general power of attorney (empowerment).

For this type of vote, the special power of attorney forms shall be used (in Romanian or in English language) in compliance with the provisions of the applicable legislation, which will be made available by the Board of Administrators of the company or by a general power of attorney, drafted in compliance with the provisions of Art. 15¹ from Regulation 6/2009 on the exercise of certain rights of shareholders within the general meetings of commercial companies.

Legal person shareholders or entities with no legal personality attending the E.G.M.S. through another person than the legal representative, shall necessarily use a special or a general power of attorney, under the conditions specified above.

a. Representation based on a special power of attorney

The forms of special power of attorney will be available in Romanian and English language **starting with 26.01.2018, at 17:00 o'clock p.m.**, at the company office and on the company website, www.remedia.ro. i. In case of natural person shareholders, special powers of attorney shall be accompanied by the copies of the identity documents of shareholders, who must allow their identification in the company's shareholders' register held by the Depozitarul Central S.A..

ii. The quality of legal representative of the person who signed the power of attorney is found based on the shareholders' list from the reference date received from the Depozitarul Central S.A.. In case the shareholders' register does not contain data regarding the quality of legal representative or they are not updated, this quality is proved with a confirmation of company details in original or in a certified true copy, issued by the Trade Register or any other document, in original or in a certified true copy, issued by a competent authority from the state in which the shareholder is legally registered, with a period of maximum 3 months in relation with the date of publication of the convening notice of the General Meeting, which would allow identifying the legal representative.

Shareholders shall fill in and sign the special powers of attorney in three original counterparts: one for the shareholder, one for the representative and one for the company. A shareholder is forbidden to express different votes based on the shares held by him/her at the same company.

A shareholder gives within the special power of attorney form specific voting instructions to the person representing him/her, for each item on the agenda of the Extraordinary General Meeting of Shareholders.

If by the empowerment, several alternate representatives are appointed, the order in which they will exercise their mandate will be established as well.

A person acting as the representative may represent several shareholders, the number of shareholders thus represented being unlimited. If a representative holds different empowerments conferred by several shareholders, he/she is entitled to vote for a shareholder differently as compared to the vote for another shareholder. The person representing several shareholders based on empowerments, expresses the votes of the represented persons by summing up the number of votes "for", "against" and "abstention" without compensating them (for example, in item x from the agenda, I am representing "a" votes "for", "b" votes "against" and "c" "abstention"). In the case of special empowerments, the votes thus expressed are valid based on copy 3 of the special empowerment.

Special powers of attorney shall be updated in case shareholders will make proposals to complete the agenda.

In all cases, the natural persons empowered by special power of attorney shall be identified with their ID at the E.G.M.S..

c. the date of the empowerment, as well as its validity period, complying with the legal provisions; empowerments bearing a later date have the effect of revoking the powers of attorney previously dated;

d. specifying that the shareholder authorizes the representative to attend and vote on his/her behalf by the general empowerment at the General Meeting of Shareholders for the entire holding of the shareholder on the reference date, with express specification of the company/companies for which the respective general empowerment is used.

The general empowerment shall terminate by:

(i) a revocation written by its principal shareholder, sent to the issuer no later than the deadline for submitting the empowerments, applicable to an extraordinary or ordinary general meeting, held within the mandate, drafted in Romanian language or in English language; or

(ii) losing the quality of shareholder of the principal on the reference date applicable to an extraordinary or an ordinary general meeting of shareholders, organised within the mandate; or

(iii) losing the quality of intermediary or of attorney-at-law of the representative.

Certified copies of the general powers of attorney (empowerments) are retained by the company, a mention being made in this regard in the E.G.M.S. protocol.

In case the person empowered by general power of attorney (empowerment) is a legal person, he/she may exercise his/her mandate received through any person who is part of the administration and management bodies, or through any of his/her employees, presenting documents proving their quality, in original or in a certified true copy.
