J12 / 15/1991, CIF RO 199117, informs the investors that on 21.05.2019 was filed by the Company, file no. 199/1285/2019, filed by the Cluj Specialized Tribunal, an application for the waiver of the case having as object the preliminary conciliation procedure.

The waiver request was filed as a result of overcoming the state of temporary financial difficulty faced by the Company. Due to the fact that the Company managed to recover a part of its own receivables, it managed to pay, in turn, a significant part of the debts they recorded in the creditors' records. Also, the works projects that the Company has ongoing are in the nature of ensuring a level of collection sufficient to guarantee the premises of continuing the activity in normal conditions.
