Elements to be reported:

Extension by 31.12.2019 of the gas transmission contract related to T2 pipeline on the territory of Romania, concluded with OOO "Gazprom Export"

The National Gas Transmission Company "Transgaz" SA and OOO "Gazprom Export", the limited liability company from the Russian Federation, agreed to extend the contract for gas transmission on the territory of Romania by 3 months until 31 December 2019.

This extension of the contract duration ensures that the transmission of gas from the Russian Federation to Turkey, Greece and other South-Eastern European countries is carried forward.

Transgaz is the sole technical operator of the National Gas Transmission System (NTS) and ensures the achievement of the national strategy goals for internal and international gas transmission, dispatching, research and design, in conditions of efficiency, transparency, safety, non-discriminatory access and competitiveness, in line with the Romanian and European applicable laws, and with the quality, performance, environmental and sustainable development standards.
