

Depaco SRL Becomes Wetterbest SRL

Starting July 2nd 2019, Depaco SRL will be known as Wetterbest SRL.

The decision comes as a result of the company's desire to have a single name for both the legal entity and its product brand, with the goal of achieving a higher degree of awareness regarding the company and its values.

The company has more than 20 years of experience on the Romanian metallic roof market, having gained a reputation as a trustworthy Romanian brand, defined by professionalism and promptitude, by quality without compromise and by staying true to its words.

Through its products, Wetterbest offers its clients quality, durability and safety, at the best possible price. Its complete roofing systems are manufactured from high quality raw material, acquired from top level European suppliers, with the help of state-of-the-art machinery, and are available in a wide range of colours. Wetterbest's specialists have the necessary experience to offer technical support and to find the right answers for every client's needs.

Wetterbest offers:

- A good quality/price ratio;
- A wide range of colours;
- Quality certification;
- Customer and tech support;
- Quick delivery;
- Secure packaging.

TeraPlast SA owns 99% of Wetterbest SRL.
