PRESS RELEASE

Bucharest Stock Exchange – the best performer of the FTSE Mondo Visione Exchanges Index in December 2010

The Bucharest Stock Exchange announces that, according to a communiqué released by Mondo Visione, the leading source of insight and knowledge about the world's exchanges and trading venues, regarding the trend of the FTSE Mondo Visione Exchanges Index from November 30 to December 31, 2010, Bursa de Valori Bucuresti SA was the Index' best performer by capital returns in US dollars, with a 18.2 per cent increase in share price.

The FTSE Mondo Visione Exchanges Index closed 2010 with a 6.2 per cent increase in December.

Bursa de Valori Bucuresti SA and Poland's Warsaw Stock Exchange joined the FTSE Mondo Visione Index in November, and December was the first month full data captured for these exchanges.
