

Annex 2

Notification with regard to the commitment of a BVB Participant  
to act as MiFID 2 Market Maker

*for the financial instruments traded within BVB and which are considered to have a liquid  
market, according to the information available on the ESMA's website*

Taking into account the provisions of the Title I of BVB's Rulebook – Market Operator with regard to Market Makers, respectively with regard to MiFID 2 Market Makers, the technical specifications with regard to the requirements applicable to them, as well as in conformity with the applicable contractual framework related to Market Making's activity within BVB,

**BVB Participant:**

- Is committed to act as MiFID 2 Market Maker starting with date:

for the following financial instruments considered to have a liquid market, according to the information available on the ESMA's web-site, for which the Participant follows a market making strategy:

Symbol	Name	ISIN

- Confirm that we have taken note about the BVB updates related to MiFID 2 Market Maker, regarding the framework/ specifications applicable to them and we expressly accept them.
