For residents, the same fees apply, in RON, at the official exchange rate of the National Bank of Romania for the invoice date or for the date stipulated in the contract.

2. Fees for using BVB indices

A. General terms for the types of licenses

Type of license	Observations
Single license	Issued for a single product, underlying one index or a basket of indices.
General license	<ul style="list-style-type: none"> ➤ Covers all structured products, underlying any of BVB indices, issued by any bank during a year ➤ Covers all the national and international branches or subsidiaries of the respective issuer bank. ➤ Does not cover Funds or ETFs.

B. General terms concerning the types of fees charged

Type of fees	Observations
Upfront fees	Paid upfront, when a fixed-maturity product is launched
Annual fees	Applied for a product with unlimited maturity (open-end)
Composite fees	Include: a fixed amount + a variable amount defined in basis points (e.g. ETF)
Other fees	Applied for global licenses, considering the maturity of the respective issued products

C. Licenses fees (excluding VAT)

No.	Type of fee	Value	Observations
1. License fees for Structured Products (e.g. certificates, warrants, bonds, SWAPs, OTC options)			
1.a.	Fee for a single license, for structured products underlying one BVB index	EUR 3,000	for products with maturity below 2 years
		EUR 5,000	for products with maturity below 5 years
		EUR 1,500/year	for products with maturity above 5 years or for open-end products
	For structured products underlying a basket of indices that include one or more BVB indices, the fees mentioned above at 1.a. are adjusted with the number of indices in the respective basket	50% of the fee	for a basket of 2 indices (e.g. BET and Dow Jones)
		30% of the fee	for a basket of 3 indices (e.g. BET, DAX and Dow Jones)
		25% of the fee	for a basket of 4 or more indices (e.g. BET, DAX, ATX and Dow Jones)
1.b.	Fee for annual general licenses covering all BVB indices	EUR 15,000 general license	for an unlimited number of products with maturities below 2 years
		EUR 25,000 general license	for an unlimited number of products with maturities below 5 years
		EUR 35,000 general license	for an unlimited number of products with any maturity

2. License fees for funds		
2.a.	Closed-end funds	Minimum fee of EUR 3,000 (covering AuM of EUR 16.18 mil), payable at the beginning of the year, + 5 basis points (bp) payable at the end of the year for AuM higher than EUR 16.18 mil;
2.b.	Benchmark funds (use a BVB index as a comparison basis for the performance of the respective fund)	<ul style="list-style-type: none"> ➤ No license fees are charged; focus on BVB's marketing/promotion opportunities. ➤ The issuer of the respective fund must insert in all the marketing materials of the respective fund a BVB disclaimer with references to the index as a BVB trademark and to the BVB website as an online information source. ➤ If a name of a BVB index (e.g., BET, BET-XT, BET-C, BET-FI, BET-NG, ROTX) is included in the name of a benchmark fund, then an upfront EUR 1,000 fee is charged.
3. License fees for ETFs (Exchange Traded Funds)		
3.a.	For exclusive licences granted for maximum 2 years	

Following a tender to which all potential ETF issuers from Romania and abroad are invited to participate, a decision is made regarding the issuer which will pay the highest fees.

The starting point of the tender is an annual fee including a fixed amount of EUR 15,000 (covering AuM of EUR 14.71 mil) payable at the beginning of the year + 5 basis points (bp) payable at the end of the year for AuM higher than EUR 14.71 mil.

In case of a gradual fee linked to AuM, the annual license fee includes a fixed amount of EUR 15,000 (covering AuM of EUR 14.71 mil) payable at the beginning of the year plus:

5 bp for AuM between EUR 14.71 and 29.41 mil

4 bp for AuM between EUR 29.41 and 58.82 mil

3 bp for AuM higher than EUR 58.82 mil (payable at the end of the year).

3.b. For a non-exclusive license

An annual fee including a fixed amount of EUR 3,000 (covering AuM of EUR 14.71 mil) payable at the beginning of the year + 3 basis points (bp) payable at the end of the year for AuM higher than EUR 14.71 mil.

In case of a gradual fee linked to AuM, the annual license fee includes a fixed amount of EUR 3,000 (covering AuM of EUR 14.71 mil) payable at the beginning of the year plus:

4 bp for AuM between EUR 14.71 and 22.06 mil

3 bp for AuM between EUR 22.06 and 29.41 mil

2 bp for AuM higher than EUR 29.41 mil (payable at the end of the year).

For residents, the fees are payable in RON, at the official exchange rate of the National Bank of Romania for the invoice date or for the date stipulated in the contract, as the case may be.

D. Discounts granted to index license fees

No.	Type of discount	Discount	Observations
1	For new clients	0-15%	
2	For multiple products	15-25%	2-4 products, launched simultaneously by the same company
3	For the full payment of the license fee when a product with a maturity of more than 5 years is launched	0-15%	
N.B.			
<ul style="list-style-type: none"> ➤ No discounts will be applied for annual general licenses. ➤ Discounts will not be cumulated; the highest discount will be applied.
