

Update for the application of the pre-trade transparency waiver with regard to
the cross orders for OMV Petrom S.A. shares at Bucharest Stock Exchange
(BVB)

In conformity with the provisions of the Article 5 from Mifir (Volume Cap Mechanism), as well with regard to the related ESMA calculation, published on its website (<https://www.esma.europa.eu/double-volume-cap-mechanism>), the application of the pre-trade transparency waiver with regard to the cross orders for OMV Petrom S.A. shares will be suspended starting with January 14, 2019, for a 6 months period, until July 13, 2019. Thus, the cross orders will not be utilised for OMV Petrom S.A. shares in the specified period.
