Important events to be reported: Conclusion of a framework agreement for the provision of services

The management of FORT S.A. (hereinafter referred to as the "Company" or "FORT") informs the market that it has concluded a framework agreement for the provision of cybersecurity assessment services for the migration of applications to the Romanian Government Private Cloud (GPC), following a public procurement procedure organized by the Authority for the Digitalization of Romania.

The main details of the framework agreement are as follows:

- **Service Provider:** FORT S.A.
- **Beneficiary:** Authority for the Digitalization of Romania.
- **Type of contract:** Framework agreement for the provision of services.
- **Subject matter of the framework agreement:** Provision of cybersecurity assessment services for the migration of applications to the Romanian Government Private Cloud (GPC), through the conclusion of subsequent contracts, under the terms and within the limits set out in the framework agreement.
- **Duration of the framework agreement:** 48 months.

Following the public procurement procedure organized by the Authority for the Digitalization of Romania, FORT S.A. is among the economic operators selected to enter into the framework agreement.

Given the nature of the framework agreement, subsequent contracts will be awarded at a later stage, depending on the Beneficiary's needs and in accordance with the terms and conditions set out in the framework agreement. Consequently, the value of the contracts to be awarded to the Company cannot be determined as of the date of this current report.

The Company will comply with its disclosure obligations under the applicable capital markets legislation and will publish current reports regarding subsequent contracts or other events arising from the implementation of the framework agreement to the extent that such events give rise to reporting obligations.
