Important events to report: Communication of the award of a significant contract

In accordance with the provisions of Article 234 paragraph (1) letter i) of ASF Regulation no. 5/2018 regarding issuers of financial instruments and market operations and Law no. 24/2017 regarding issuers of financial instruments and market operations,

Connections Consult S.A. informs investors that it has received the communication regarding the outcome of the public procurement procedure for "Development and implementation services of a cybersecurity IT platform." The offer in which the Company participates as a declared subcontractor was declared the winner.

The value of services, equipment, and software licenses to be provided by Connections Consult S.A. is 72,499,200.00 lei excluding VAT. This represents approximately 63% of the Company's turnover for the 2025 financial year.

The implementation period is 14 months from the date the performance guarantee is established. To this is added a warranty and support period of 5 years, calculated from the date of the quantitative-qualitative acceptance and commissioning reports.

At the date of this report, the contract between the main contractor and the client had not been signed, and the subcontracting contract related to the activities of Connections Consult S.A. is also unsigned. The company will inform the market about the signing of the public procurement contract and the related subcontracting contract.

Sincerely,
Bogdan Liviu Florea
Chairman of the Board of Directors
