**Important events to be reported:** Acquisition of Scale Expert

The management of IT Genetics S.A. (hereinafter referred to as the "Company" or the "Group") informs the market regarding the full acquisition of Scale Expert, a Romanian company specialized in weighing solutions and technologies dedicated to the automation and optimization of commercial and logistics operations.

Through this acquisition, the Company aims to accelerate the development of its weighing solutions division and expand its presence in this segment both in Romania and across the international markets where the Group is already active. The acquisition of Scale Expert complements the Group's portfolio with additional solutions and complementary expertise for clients operating in retail, logistics, and industry.

Scale Expert has been operating on the Romanian market for more than 20 years and serves more than 4,000 clients. The Scale Expert team develops solutions and services dedicated to the weighing and commercial automation segment, addressing the needs of companies operating in retail, logistics, distribution, and other industries with complex operations.

In 2025, Scale Expert generated revenues of approximately RON 8 million. Scale Expert will continue to operate under its current management team.
