**Important events to be reported:** Change in the agenda of the Ordinary General Meeting of Shareholders of ROCA INDUSTRY HOLDINGROCK1 S.A. for 27.04.2023

The management of ROCA INDUSTRY HOLDINGROCK1 S.A. (hereinafter referred to as the "Company") informs the market that the agenda of the Ordinary General Meeting of Shareholders of the Company (OGMS) for 27.04.2023 (first calling), respectively for 28.04.2023 (second calling) should the attendance quorum for the first meeting not be met, had been changed. Item 6 on the agenda, respectively "*Approval of Company's Board of Directors proposal on the distribution of the net profit for the financial year 2022 as set out in the note to the shareholders*" was removed.

Reason for removal: Compared to the preliminary financial results published by Roca Industry on 28 February 2023, adjustments were made both at standalone as well as at consolidated level. These decreased the individual net result from a net profit of RON 2.6 mn to a net loss of RON 9.86 mn. The main changes refer to the impairment of shares in subsidiaries (non-cash item), so that the possibility of more volatile quarters is included in the results. This exercise was one of prudence, responsibility and transparency, the financial results as at 31 December 2022 being presented in the light of what the Company's management observes now and the new signals from the market. In the following period, the management of the holding company will make every effort to fulfill the conditions for the reversal of these registrations. By the adoption of these measures, the outlook going forward, to the extent that the current financial year ends according to the base case scenario and not in the worst case one, is that this adjustment will be reversed.

The convening notice having the agenda updated is attached to this current report.
