Important events to be reported: Conclusion of a framework agreement

The management of Simtel Team S.A. (hereinafter referred to as the “Company”) informs the market that the Company concluded a framework agreement with a food retail company (the “Beneficiary”) for the development of photovoltaic plants on the roof, ground, carriage or on the facade of buildings, the characteristics of each plant to be established based on the orders received from the Beneficiary for each individual project.

Under the framework agreement, which has been concluded until 31.07.2027, the Company will deliver integrated services, including engineering activities, design, acquisition of equipment and materials, as well as the execution of construction, assembly and maintenance works for the turnkey implementation of the photovoltaic plants, in the locations indicated by the Beneficiary.

The value of the agreement will be calculated as the sum of the value of all additional documents / annexes that will be conclude on the basis of the agreement (orders). As such, the total value of the contract, for its entire validity period, cannot be estimated at this moment, since it depends on the orders which will be placed by the Beneficiary for each of the projects which are going to be developed in Romania and the Republic of Moldova.

Based on the first orders already received under the agreement, the Company will build 22 photovoltaic plants, for a total value of approximately EUR 4.5 million.
