Extraordinary Announcement

Dear Ladies and Gentlemen,

we hereby wish to inform the market participants at the Bucharest Stock Exchange that we have changed the following parameters regarding one structured product.

1. AT0000A0PJX1, RCTLVTL1, Banca Transilvania SA Turbo Long Certificate
New strike: RON 0.15104
New barrier: RON 0.16187
New ratio: 38.70952

These new parameters are applicable as of today. The reason behind those changes is that Banca Transilvania SA has performed a capital measure.

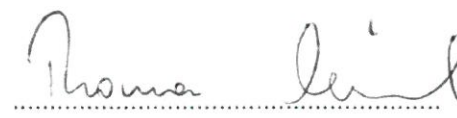

Please do not hesitate to contact us if you require further information.

Very truly yours,

Raiffeisen Centrobank AG
