A special dividend with a gross value amounting to **RON 0.0450 per share** to OMV Petrom's shareholders.

The payment of dividends is to be made in RON to OMV Petrom's shareholders registered with the shareholders registry kept by Depozitarul Central S.A. on the **Record Date** established by this OGMS (the Record Date proposed to be approved by OGMS being **September 28, 2023**), starting with the **Payment Date** established by this OGMS (the Payment Date proposed to be approved by OGMS being **October 19, 2023**).

The net special dividend and related tax on dividend is to be determined using the following computation method: the gross special dividend corresponding to each shareholder will be computed by multiplying the number of shares held at the Record Date by the respective shareholder with the gross special dividend per share; the resulting amount will be then rounded down to two decimals according to the Code of Depozitarul Central S.A. with its subsequent amendments and supplementations; afterwards, the tax on dividend will be computed by applying the relevant tax rate to gross dividends already rounded down to two decimals; the

amount of the net dividend to be paid will represent the difference between the gross dividend rounded down to two decimals and the amount of the related tax on dividends rounded up/down according to the legal provisions.

The payment of dividends is to be made through Depozitarul Central S.A. (i) via the participants in its clearing-settlement and registry system and, where appropriate, (ii) via the payment agent BRD Groupe Societe Generale S.A.
