Important events to be reported: Availability of the 2024 Annual Report

Autonom Services S.A. (“the Company”) informs the investors about the availability to the public of the Annual Report containing the audited financial statements as of 2024, approved by the Ordinary General Shareholders Meeting dated 27.04.2025.

The report presents robust financial results marking the company’s eighteenth consecutive year of double-digit growth, together with significant achievements that further strengthen Autonom’s position in the mobility market.

For 2024, Autonom records a turnover of RON 841 million, up 15 percent on the previous year, and an almost two-fold increase in net profit, reaching RON 59 million. The EBITDA margin remained stable, underscoring the resilience of the business model and the company’s ability to perform in a challenging economic environment.

The report also details the evolution of the mobility-services portfolio, the performance of the main divisions (Operational Leasing, Rent-a-Car, and Used Cars), as well as the key events of 2024.

Moreover, in 2024 Autonom takes a major step toward transparency and alignment with the new European sustainability-reporting requirements by publishing its first integrated financial and sustainability performance report, providing investors and partners with a comprehensive view of the durable value created by the company.

Autonom Services SA remains committed to ensuring transparent and continuous communication with its investors and all business partners.
