

## Investor information

7 April 2026

On 06 April 2026, BCR received the report related to the investigation initiated ex officio by Order of the President of the Competition Council No. 1267/24.10.2022, concerning an alleged infringement of Article 5(1)(a) of the Romanian Competition Law No. 21/1996 and Article 101(1)(a) of the Treaty on the Functioning of the European Union. The investigation concerns a possible agreement and/or concerted practice regarding the coordinated fixing of the ROBOR rate by all banks participating in the determination of this reference rate within the “fixing” procedure.

The report in our analysis does not reflect the final position of the competition authority. We are convinced of the correctness of BCR’s position and our market conduct, which we will argue through all legal means made available by national legislation, the European and international legislative framework and the banking regulations, on which we strictly base our activity upon.
