**Significant events to be reported: Electrica has won the public tender for the cogeneration project in Craiova**

Electrica informs investors and shareholders that it has been designated the winner of the public tender procedure organized by Craiova Municipality, having as its object: *“Delegation through concession of the thermal and electrical energy production activity, based on cogeneration and/or renewable energy sources in Craiova Municipality”*

The concession covers a 12-year contract and involves the construction of a new thermal energy production system for the centralized network (SACET) of the municipality of Craiova, with a solution based on high-efficiency cogeneration and/ or renewable energy sources. The project addresses the city’s thermal energy efficiency as well as the requirements imposed by current European legislation (Directive 2023/1791). (details available in the electronic public procurement system SEAP [in Romanian only](#) )

The necessary corporate procedures for the implementation of the project will be initiated as soon as possible.

Information regarding this litigation was previously disclosed to the investors by means of the current report dated 16 March 2026, available here: [BSE:IRIS 3CFBB](#), [LSE:RNS 8345W](#), [LuxSE](#).
