I. The agenda (supplemented) of the EGM is as follows:

1. The approval of the consolidation of the nominal value of a share issued by the Company from the nominal value of RON 0.52/share to the nominal value of RON 52/share, by increasing the nominal value of the shares concomitantly with the decrease of the total number of shares (100 shares with a nominal value of RON 0.52/share will represent one share with a nominal value of 52 RON/share) (the “**Nominal Value Consolidation**”), in the following terms and conditions:
 - a) the total number of shares in the Company’s share capital resulting from the Nominal Value Consolidation will be equal to the number of shares issued prior to the Nominal Value Consolidation divided by 100, representing the ratio between the consolidated nominal value (RON 52/share) and the nominal value prior to the Nominal Value Consolidation (RON 0.52/share), subject to adjustments made in accordance with the applicable legal provisions (i.e., if any share fractions result from the Nominal Value Consolidation at the level of any shareholder, the number of shares to be held by such shareholder will be rounded down to the next natural number); if, as a result of such rounding down, the Company shall acquire treasury shares, the consolidation of the nominal value of the shares is permitted only subject to compliance with the requirements set out in Companies’ Law no. 31/1990, republished, as subsequently amended and supplemented;

 - c) The first paragraph of Article 7 of the Constitutive Act shall be amended and shall be read as follows:

 - d) the price for the compensation of the fractions of shares resulting from the Nominal Value Consolidation shall amount to RON 79.14/consolidated share, calculated by multiplying the amount of RON 0.7914 by 100 (representing the ratio between the consolidated nominal value (RON 52/share) and the nominal value prior to the Nominal Value Consolidation (RON 0.52/share));
 - e) the terms and conditions of payment and the calculation instructions for the amounts to be paid in accordance with the resolution adopted in case of the approval of this item 1 on the EGM agenda shall be those reflected in the information document and the procedure on consolidation operations which are made available to shareholders as supporting material to this item on the EGM agenda;
 - f) the Nominal Value Consolidation shall be subject to the authorization by the Financial Supervisory Authority of the amendment of Article 7 paragraph (1) of the Constitutive Act of Fondul Proprietatea as approved by shareholders under this item 1 of the EGM agenda, where required by applicable law or regulation;

(1) of Regulation no. 5/2018, computed in accordance with the provisions of Article 91 paragraph (11) of Issuers' Law, for the payment of the price at which the fractions of shares resulting from the application of the algorithm specific to the Nominal Value Consolidation are compensated.

For further details, please refer to the *Procedure regarding the organization and holding of General Meetings of Shareholders (Special conditions regarding collective natural person shareholders)* available on the Company’s website;

The above-mentioned documents may be sent by e-mail with qualified electronic signature as per Law no. 214/2024, at agafp@fondulproprietatea.ro.

A special power of attorney template:

- a) shall be made available to the shareholders by the Company at the same coordinates and under the same conditions as the information materials;
- b) shall be updated by the Company if new items are added to the EGM/OGM agenda and shall be published on the Company’s website in its updated form;
- c) shall be filled in by the shareholder in three counterparts: one for the shareholder, one for the representative, and one for the Company.

If during the general meeting of shareholders certain items which were not included on the published convening notice are being discussed, in accordance with the legal provisions, the representative may vote on these items according to the interest of the represented shareholder.

Generally, a shareholder may mandate only one proxy to represent him/her/it at the EGM/OGM. However, the special power of attorney may nominate other person(s) as substitutes empowered to represent the shareholder at the EGM/OGM in case the said main proxy would be in impossibility to exercise his/her

mandate. The special power of attorney must provide the order under which the said substitutes vote in case the proxy does not attend the EGM/OGM.

Vote by representative holding a general power of attorney

In opposition with the special one, the general power of attorney allows the proxy to vote on behalf of the shareholder in any aspect on the agenda of one or more companies identified in the power of attorney, individually or by general reference to a certain category of issuers, including disposal acts. The shareholder may grant a valid proxy for a period which shall not exceed three (3) years, unless the parties have expressly provided for a longer period.

For the mandate's validity, the proxy must be either an intermediary (in accordance with Article 2 para. (1) item (19) of Issuers' Law) or an attorney at law for whom the shareholder is a client.

Also, the proxy should not be in a conflict of interest situation, such as:

- a) It is a majority shareholder of FP, or of another entity, controlled by that respective shareholder;
- b) It is a member of an administration, management or supervisory body of FP, of a majority shareholder or of another entity, controlled by that respective shareholder;
- c) Is an employee or auditor of FP or of a majority shareholder or of another entity, controlled by that respective shareholder;
- d) Is a spouse or relative (up to, and including, fourth degree filiation) of one of the individuals mentioned above.

The proxy cannot be replaced by another person unless this right was expressly conferred to him/her by the shareholder in a power of attorney. If the proxy is a legal entity, then the latter may carry out the general mandate through any of member of its administration/management body or of one of its employees. These provisions do not affect the right of the shareholder to designated by a power of attorney one or more alternate proxies, according to the regulations described above regarding special proxies.

In view of the EGM/OGM, and before their first use, the general powers of attorney are to be sent to the Company's headquarters in Bucharest, 76-80 Buzești Street, 7th floor, 1st District, postal code 011017 so that it is received by the Company by **26 May 2026, 11:00 AM** (Romanian time) **for documents regarding the EGM** and **26 May 2026, 12:00 PM** (Romanian time) **for documents regarding the OGM**, in copy, certified as being the same with the original by the proxy or by e-mail with qualified electronic signature as per Law no. 214/2024, to aqafp@fondulproprietatea.ro. The said copies are retained by FP, and a mention of this is inserted in the minutes of the general shareholders' meeting.

Documents accompanying the general power of attorney:

- a) proof that the proxy is an intermediary in accordance with Article 2 para. (1) item (19) of Issuers' Law or an attorney at law, and that the shareholder is the proxy's client;
- b) for **natural person shareholders** – copy of the shareholder's identity card, allowing for identification thereof on the Company's shareholders registry issued by Depozitarul Central SA and a copy of the identity card of the representative (identity document or identity card for Romanian citizens or passport for foreign citizens);

For further details, please refer to the *Procedure regarding the organization and holding of General Meetings of Shareholders (Special conditions regarding collective natural person shareholders)* available on the Company's website;
- d) for **legal entity shareholders**:

- original or true copy of the up-to-date findings certificate issued by the Trade Registry (in Romanian “certificat constatator”) or any other document, in original or true copy, issued by a competent authority of the state where the shareholder is duly incorporated, all being no older than twelve (12) months as from the date when the general meeting convening notice was published in the Official Gazette of Romania and allowing identification thereof on the Company’s shareholders registry issued by Depozitarul Central SA;
- the capacity of shareholder’s legal representative shall be taken from the Shareholders’ Registry issued by Depozitarul Central SA; however, if the shareholder did not inform timely Depozitarul Central SA of its legal representative (so that the shareholders’ registry at the reference date reflect that), then the findings certificate/similar documents mentioned above must comprise the capacity of legal representative;
- for the shareholder Ministry of Finance the capacity of legal representative shall be proven by the appointment decree issued by the President of Romania; and

FP shall not request that the documents attesting the shareholder’s legal representative capacity be legalized or apostilled. The above-mentioned documents may be sent by e-mail with qualified electronic signature as per Law no. 214/2024, at agafp@fondulproprietatea.ro.

The Company accepts a general power of attorney given by a shareholder, as a client, to an intermediary or to a lawyer, without requiring additional documents relating to that shareholder, if the general power of attorney is signed by that shareholder and is accompanied by an own responsibility statement given by the legal representative of the intermediary or by the lawyer who has received the general power of attorney, indicating that:

- a) the shareholder is a client of the proxy;
- b) the general power of attorney is signed by that respective shareholder (ink signed or through a qualified electronic signature, as the case may be).

The said statement must be submitted in original at FP’s headquarters or by e-mail with qualified electronic signature as per Law no. 214/2024, at agafp@fondulproprietatea.ro (in the same time with the general power of attorney and at the same coordinates as indicated in this convening notice) signed by the intermediary/attorney at law (without other criteria being necessary as pertaining with its form).

A template of the general power of attorney for EGM/OGM shall be made available to the shareholders by the Company at the same coordinates and under the same conditions as the information materials. The Company does not impose the use of the said forms.

- b) shall be updated by the Company if new items are added to the EGM/OGM agenda and shall be published on the Company’s website in its updated form.

If a shareholder voted by sending a ballot paper by correspondence, but then attends the EGM/OGM either personally or through a proxy (provided a special/general power of attorney has been submitted under the conditions above-mentioned), the correspondence vote shall be annulled and only the direct or the vote expressed through the proxy shall be taken into consideration.

If the person representing the shareholder at the general shareholders’ meeting is other than the person who expressed the correspondence vote, then for its validity, the proxy must present at the general

meeting a written revocation of the correspondence vote, signed by the shareholder or by the representative who expressed the correspondence vote. This will not be applicable if the shareholder or its legal representative is present at the general meeting.

Voting by correspondence may be expressed by a representative only if he/she:

- b) the representative is a credit institution providing custody services.

The general procedure for the organization of general meetings (which shall be available at the same coordinates and in the same conditions as the information materials) details the procedure allowing both the vote by representative with special/general power of attorney, vote through a custodian bank and the vote by correspondence, and the shareholders must comply with the said procedure. Special/General powers of attorney and ballots for voting by correspondence must be signed by all the natural person collective shareholders or their legal representatives (in the case of natural persons lacking exercise capacity or with limited exercise capacity), who shall assume both their capacity (proven by means of evidentiary documents attached to the special/general power of attorney/ballot) and the signature authenticity.

The checking of the special/general powers of attorney submitted, as well as the centralization, checking, and records of the votes by correspondence shall be performed by a commission established within the Company, whose members shall safely keep these documents, as well as the confidentiality of the votes thus expressed.

If the EGM/OGM agenda includes resolutions requiring a secret vote, the special power of attorney / the voting ballot by correspondence shall be submitted through means that do not allow the disclosure of the secret vote until the moment the relevant agenda items are submitted to vote, and only to the members of the commission.

In this regard, shareholders are advised to place the identification documents in a separate envelope / separate file in case of submission by e-mail with qualified electronic signature (marked with the Shareholder's Name – **Identification Documents for the OGM/EGM dated 28/29 May 2026**), so that the commission members can carry out the necessary verifications.

In the case of submitting special powers of attorney and voting ballots by correspondence, together with the identification documents, in a single envelope / file, it shall be deemed that the shareholder has waived the secrecy of the vote; shareholders are informed and agree that, for the purpose of verifying and validating the related documentation, the envelope / file may be opened by the commission members prior to the OGM/EGM, and the commission members shall maintain the confidentiality of the votes thus expressed.

Powers of attorney and voting ballots shall be checked and validated by the EGM/OGM secretary.

In the event that the agenda is supplemented, and the shareholders fail to send the updated special powers of attorney and/or ballots for voting by correspondence, the special powers of attorney and ballots sent prior to the supplementation of the agenda shall be considered only with reference to the items therein which are also found on the supplemented agenda.

All discussions held during the EGM/OGM are audio recorded under the supervision of the Sole Director. If participants want to obtain a copy of the recordings, these will be available at the FP registered office, in exchange for a fee (the cost will not exceed the value of expenses incurred by FP in relation to transferring the audio recording to material support), within thirty (30) days after the EGM/OGM date. After the EGM/OGM, the shareholder or a third party appointed by the shareholder may obtain from the Company, at least upon request, a confirmation of recording and counting of votes by the Company. The request of such confirmation may be asked for within one (1) month as of the voting date. In this case, the Company will send the shareholder an electronic confirmation of recording and counting of votes, according to the provisions of article 97 para. (3) of Issuers' Law and of article 7 para. (2) of CE Regulation 1212/2018, in the format set out in Table 7 of Annex to the CE Regulation 1212/2018.

Electronic voting is exercised by ticking a voting option "for" or "against" or to mention "abstention", followed by pressing the "register vote" button. Votes marked in the platform without pressing the "register vote" button will not be taken into account.

During the period when electronic voting via the eVote platform/eVotePRO platform is available, the electronic voting bulletin can be filled in and rectified by the shareholder as many times as it deems appropriate. Only the last expressed option existing in the web application will be taken into consideration. After the expiry of the period designated for electronic voting, as indicated in the convening notice and/or subsequent announcements, such method cannot be used anymore.

The platform for electronic voting will allow the subsequent verification of the way in which the vote was exercised in the EGM/OGM and, at the same time, ensure possibility that every shareholder participating to the EGM/OGM can verify its vote.
