## ÖMER TETİK APPOINTED FOR ANOTHER FOUR-YEAR TERM AS CEO OF BANCA TRANSILVANIA

[Banca Transilvania](#) announces **the renewal of CEO Ömer Tetik's term** until 2030. Additionally, **the terms of three other members of the bank's [executive management](#) were renewed**: George Călinescu—Deputy CEO for Finance, Oana Ilaș—Deputy CEO for Retail Banking, and Leontin Toderici—Deputy CEO for Operations. Simultaneously, **the leadership team was strengthened** with the promotion of Cosmin Călin to the position of Deputy CEO for Large Corporate.

All other current management contracts for members of the Leaders' Committee—namely those of Cătălin Caragea (Risk), Andrzej Dominiak (Technology), Tiberiu Moisă (Mid-Corporate & SME), and Bogdan Pleșuvescu (Legal)—remain in effect, unchanged.

“One of Banca Transilvania's strengths has been, from the very beginning, its united and stable team. The Board of Directors appreciates the professionalism, loyalty, and commitment of our colleagues on the Leaders' Committee to what we are building at the bank and within the Banca Transilvania Group. Together with the entire BT team, we continue on the bank's path of growth, confident that our work has a positive impact on the economy and on our customers' lives,” said Horia Ciorcilă, Chairman of the Board of Directors, Banca Transilvania.

The renewal of the terms of office comes at a time when Banca Transilvania has consolidated its leading position in the banking market thanks to solid results. In recent years, the bank has recorded above-market-average growth in terms of assets, profitability, operational volumes, and the number of customers. Between 2021 and 2025, BT's market share based on assets rose from 19.5% to 22%, and at the end of the first quarter of the year, assets reached 212.9 billion lei. Furthermore, Banca Transilvania's trading volumes have established it as one of the most actively traded issuers listed on the Bucharest Stock Exchange, demonstrating the confidence investors have in the bank and its management.
