### **BVB STATEMENT REGARDING THE CHANGES IN THE MANAGEMENT OF DEPOZITARUL CENTRAL**

Bucharest Stock Exchange (BVB), responding to numerous inquiries coming from the financial media, informs that the BVB was neither informed nor consulted with regard to the revocation of the CEO of Depozitarul Central and the appointment of the new CEO. In addition, the motives for the decision taken by the Board of Depozitarul Central to revoke the CEO from her duties remain unknown for the Bucharest Stock Exchange.

Bucharest Stock Exchange will officially request from the Chairman of the Board of Depozitarul Central all appropriate explanations regarding this situation. At the same time, the BVB expresses its expectation that the state of the corporate governance within Depozitarul Central - a systemically important institution of the capital market and member of the BVB Group - will not further deteriorate.
